

BV QueSt OUTreach Grant Application

The OUTreach Grant is available for organizations in the Brazos Valley area which support the queer community or provide a specific program marketed toward the queer community.

The contact person listed on the application will be informed of the grant review committee's decision within eight weeks from the date of the application submitted. Additional documentation may be requested by the grant review committee (i.e. event budget, publicity from previous years, history of the organization). If a grant is provided for a specific event or program, BV QueSt requires logo recognition on printed materials and web address on all email promotions.

Organization, contact person and title:	
Mailing address:	
E-mail address and phone number:	
Requested grant amount:	
Specific event or program to benefit from grant:	
Is this an existing or new event or program? If previously existing, please give a brief history of the event or program. If a new event or program, please explain the decision to create a new event/program.	
How will this event or program benefit the local queer and queer-supportive community?	
Please explain specifically how the grant funds will be used.	
Explain any other sources of income for this event or program (ticket sales, donations, membership dues, other grants, etc).	
How will this event or program be marketed to the queer community and/or the general public?
